

Information for the building

The building is wooden and was built in 1983, it is the only indoor space for users.

Facilities include:

- fully fitted kitchen with all modern appliances, crockery, pots and pans which can be used as two independent kitchens for multiple users.
- Small seating area at each end of the building
- Dining area 13 m by 4 m with tables and chairs
- Toilets which can be accessed from the main hall and externally
- AV Projection

Arrivals before 6pm

It may be possible for you to gain access to the site before 6pm at the weekend, however this must be arranged in advance via the campsite bookings secretary.

Food Deliveries

If you are arranging for supermarket food deliveries, please ensure that they have all your correct contact information. You can order deliveries to the carpark of The Trent Lock Pub and Restaurant NG10 2FY.

Points to note when using the building

- Please remove all wet clothing in the toilets/ changing room before entering the main hall to the building. We suggest you advise your group to use the external doors to the toilets/ changing room during activity time.
- Ensure extractor fan is on before and during cooking.
- Please put all tables and chairs away, at the sides of the main hall, when you leave
- Please remove all food from the fridge / freezer at the end of your visit
- Please empty the bins at the end of your stay observing the site recycling system.

This building is not suitable to use as sleeping accommodation

In the event that the fire alarm is activated:

- All users must immediately exit the building via the nearest available exit
- The fire assembly point is on the Flag Break area, in front of the building

Please report any damage to a member of the duty team immediately
